

EXAMPLE FLOOR PLANS FOR SHORT STAY LETTING

- Floor plans must showing use of each room and the maximum number of people to be accommodated in each bedroom.
- Floor plans can be obtained from building plans or real estate plans.
- Floor plan can be hand drawn, but must be legible and need not be to scale.

EXAMPLE FLOOR PLANS FOR HOME HOSTED ACCOMMODATION

EXAMPLE SITE PLANS

- Site plans must show the location of all buildings including outdoor entertainment areas, swimming pool or spa, vehicle parking areas and the location of each window and door opening of adjoining residences. Windows are represented by a “W” and doors by a “D” in the example below.
- Sketch plans or aerial photos may be used and marked up as shown below. Aerials can be accessed from Council’s public mapping system.
