# Information Sheet - Application for Ashes Site

# **Frequently Asked Questions**

#### 1. How long before my order is installed?

Generally, installation of plaques will take 10 to 12 weeks from date of approved proof.

#### 2. What is the Burial Rights for ashes/grave site fee?

This is the fee for acquiring the Burial Rights to the ashes or burial plot. Burial Rights within public cemeteries are no longer subjected to GST. The interment fee is subjected to GST. Therefore the Burial Rights fee and interment fee are itemised separately on your tax invoice

# 3. I have seen some positions with lots of trinkets and personal items as well as planted trees and shrubs, can I do this?

No. The planting of trees and shrubs and the placement of items including crosses, trinkets and other artefacts is not permitted without cemetery approval and will be removed.

## 4. Will the cemetery look after my plaque?

No, the care and maintenance of plaques is the responsibility of the family or the representative of the deceased.

# 5. Theft, damage or Vandalism

Theft, damage or vandalism to a headstone or plaque is the responsibility of the family or family representative of the deceased.

# 6. There is a family member objecting to the plaque, what do I do?

Noosa Council acts in good faith when it relies on advice provided by Applicants and does not accept any responsibility for allowing a plaque / memorial that might be the subject of a later dispute between family members, Executors and/or assigns, in this instance you need to seek independent legal advice.

#### 7. Can I place flowers on the site?

Yes. Artificial or fresh flowers are permitted to be placed next to plaque. However please note only one bunch/vase per site allowed.

#### 8. Ceramic Photo

It is possible to have a ceramic photo attached to the plaque. If requested, a photo (in any format) will need to be supplied with the application.
