

Mary River Catchment (Zone Map ZM5)

Printed: October 2016
Version: Amendments Commenced October 2016

This map, is a reproduction from Council's GIS, has a scale of accuracy of 1:25 000, although data on which it is based was gathered at mostly finer scales. Precise boundaries may need to be defined by site survey. Council Copyright Reserved.

Note:
Levels of assessment may be altered by the Overlay Development Assessment Tables in Part 13.
Division 2 or 3 of the regulatory provisions of the SEQ Regional Plan may also apply to development applications for urban activities, rural residential purposes and reconfiguring of a lot on land outside the Urban Footprint of the SEQ Regional Plan.
Under Division 3, of the regulatory provisions of the SEQ Regional Plan an application to reconfigure a lot for rural residential purposes on land in the Regional Landscape and Rural Production Area of the SEQ Regional Plan and zoned Rural Settlement must be properly made before 27 October 2006.
