

27th September 2023

Construction notification – Schreibers Road, Cooran

Project summary

Noosa Shire was significantly affected by the 2022 rainfall and flooding event. Council continues its efforts across the Shire to reconstruct essential public assets such as roads and stormwater infrastructure.

The following sites were impacted significantly, and reconstruction is required:

- culvert near the intersection of Coles Creek Road
- culvert closest to property boundary 169 Schreibers Road.

The project team has now completed the necessary engineering and design work, and construction is about to start.

Overview of works

New culverts will be installed to help withstand possible future disaster events. This will involve demolition of the road and the placement of suitable environmental controls.

The construction program will include the use of heavy machinery, delivery of materials, demolition and concreting works.

Damaged culvert near Schreibers Road and Coles Creek Road.

Traffic and community impacts

These works are scheduled to commence the week beginning 24 September and finish early December 2023, weather permitting.

Construction will generally occur Monday to Friday between 6.30am and 5.30pm. Typical construction noise can be expected during these hours.

During construction the following changed traffic conditions will be in place:

- a full road closure on Schreibers Road near the Coles Creek Road intersection. A detour will be in place for traffic.
- a partial road closure on Schreibers Road nearby the Sankeys Road intersection. This site allows for a single lane of traffic in each direction. Traffic control will be used to stop motorists for short periods.

Guidance maps are provided on the following pages. Please ensure all traffic signs and instructions are followed to ensure the safety of all road users and construction workers.

The school bus will continue to run for Cooran State School along Schreibers Road up to a suitable point for the bus to safely turnaround. If you are an impacted bus user, the bus company will contact you directly.

Funding

The flood recovery effort for Noosa Council is jointly funded by the Commonwealth-State Disaster Recovery Funding Arrangements.
