## Construction notification – Coles Creek Road, Cooran

### Project summary

Noosa Shire was significantly affected by the 2022 rainfall and flooding event. Council continues its efforts across the Shire to reconstruct essential public assets such as roads and stormwater infrastructure.

Reconstruction is required at the following sites:

- culvert near the intersection of Schreibers Road.
- culvert closest to property boundary of 511 Coles Creek Road.

Design work is complete, and construction is about to start.

### Overview of works

New culverts will be installed at the site nearby Schreibers Road to help withstand possible future disaster events. This will include demolition of the road and the placement of suitable environmental controls.

Minor works will be undertaken at the site nearby property boundary at 511 Coles Creek Road. The construction program will include the use of heavy machinery, delivery of materials, demolition and concreting works.

### Traffic and community impacts

These works are scheduled to start Thursday 19 October and finish early December 2023, weather permitting.

Construction will generally occur Monday to Friday between 6.30am and 5.30pm. Typical construction noise can be expected.

*Damaged culvert near Schreibers Road on Coles Creek Road.*

During construction the following changed traffic conditions will be in place:

- As similar reconstruction is occurring on Schreibers Road, a full road closure of the intersection of Coles Creek Road and Schreibers Road is now necessary. A detour will be in place for traffic.
- A partial road closure on Coles Creek Road nearby the property boundary of 511. This site allows for a single lane of traffic in each direction. Traffic control will be used to stop motorists for short periods.

Guidance maps are provided on the following pages. Please ensure all traffic signs and
