

June 2024

Upper Pinbarren Creek Road, Pinbarren

Noosa Council is pleased to advise Hazell Bros has been awarded the contract to undertake flood reconstruction on nine sites damaged on Upper Pinbarren Creek Road during the 2022 flood and rain event.

It is anticipated site establishment and construction will start at the end of June 2024 and take about five months to complete, weather and construction conditions permitting. One lane of traffic will be open to residents during construction, with traffic management details being finalised as a priority. In the meantime, you may see team members from Hazell Bros and Council undertaking inspections.

Further information about the changed traffic conditions and potential impacts for residents will be made available as soon as possible.

For up-to-date project information and to register for project updates, please contact the Disaster Recovery team via disasterrecovery@noosa.qld.gov.au. If you change your mind at any stage and want to be removed from the project email updates list, contact our Customer Service team on 07 5329 6500 or via disasterrecovery@noosa.qld.gov.au.

Council appreciates the ongoing patience and support from the community as the reconstruction program continues.

The flood recovery effort for Noosa Council is jointly funded by the Commonwealth-State Disaster Recovery Funding Arrangements (DRFA).
