

July 2024

Simpsons Road, Cootharaba

The 2022 flooding event caused damage at several locations across the Noosa Hinterland, with extensive repairs needed across the Shire.

Council is pleased to advise landslip damage to a road fill embankment adjacent to 37 Simpsons Road is now complete.

Aerial view showing location of damage on Simpsons Road

Reconstruction included:

- 26 piles (750mm diameter and 11m long) to support the retaining wall and long-term stability of the road
- constructing a retaining wall 40m in length and 1.5m high, which was tied to the piles to withstand future slides
- slope rock protection, with 300m³ of rock placed
- drainage improvements.

The flood recovery effort for Noosa Council is jointly funded by the Commonwealth-State Disaster Recovery Funding Arrangements.

Council would like to thank Simpsons Road residents for their patience and co-operation during these works.
