

# Events calendar terms and conditions

---

- Events or activities must be open to and relevant to the general community within the Noosa Shire. This excludes ongoing activities, club meetings, regular sporting fixtures and church services.
- Requests need to be submitted at least 2 weeks prior to the event date. Submissions will not be accepted more than twelve months in advance.
- You should have applied for all necessary permits, licences and other relevant approvals for your event prior to submitting event information.
- All listings are subject to editorial discretion. Noosa Council reserves the right to refuse any listing request. We will not list business, service or political activities or any type of commercial promotion. Events relating to or held by a group which conflicts with Council's corporate mission/vision will not be listed.
- The person submitting the listing must ensure information supplied is accurate and information is kept up to date, and must notify Council as soon as possible of any changes. A nominated contact person and contact number must be supplied for all event listings.
- Council's events calendar is provided without any warranties or guarantees the service will be error free and without disruption.
